Biography

Andrea Colli is Full Professor of Economic History and Geopolitics at Bocconi University. At SDA Bocconi, he teaches in several courses and programs on Geopolitics & Strategy, adopting an approach that blends historical analysis, economic dynamics, and international perspectives. At the university, his teaching includes Geopolitics for Business, Geopolitics: History, Geography and Power Dynamics, Global Scenarios, The Making of the Present – A Global History of Globalization His research focuses on economic history, business history, global history, international relations, and geopolitics. Among his main publications are *The History of Family Business 1850–2000* (Cambridge University Press, 2003), *Mapping European Corporations: Strategy, Structure, Ownership and Performance* (Routledge, 2012) e *The Endurance of Large Family Businesses Around the World* (Cambridge University Press, 2013), *Dynamics of International Business* (Routledge 2016), *Globalization: A Key Idea for Business and Society* (Routledge 2024) Andrea Colli holds a degree in Business Administration from Bocconi University and a PhD in Economic and Social History. He has been a visiting scholar and fellow at leading international institutions, including Harvard Business School (Alfred D. Chandler Jr. International Fellow) and the European University Institute (Fernand Braudel Senior Fellow).
