

MERIT-BASED TUITION WAIVERS FOR MCF CANDIDATES

SDA Bocconi makes a total amount of **€ 200,000 available in tuition waivers**, covering **from 10% (€ 4,000) to 50% (€ 20,000) of the MCF total tuition fee (€ 40,000)**, to 2027/28 SDA Bocconi MCF candidates deemed deserving. Of this total, **€60,000** is reserved for deserving **female candidates**, who may receive individual tuition waivers ranging from **10% (€4,000) to 50% (€20,000)** of the total MCF tuition fee.

1. Beneficiaries and Requirements

All applicants are automatically considered for tuition waivers upon completion of all application requirements: application form; resume; degree documents; GMAT/GRE (valid at the time of application; please refer to the MCF website for validity periods) or SDA test (if chosen as an alternative to GMAT or GRE); demonstrated English proficiency (please refer to the MCF website for the list of accepted certificates and their validity periods); admissions interview; reference forms; admissions application fee and SDA test application fee (if chosen as an alternative to GMAT or GRE).

Merit-Based Tuition Waivers may be awarded only to candidates who are admitted to the 2027/28 MCF Program and whose profiles are successfully assessed based on the criteria outlined in Section 2.

2. Selection Process and Results

Candidates will be evaluated according to the following criteria: analysis of academic and professional records, analysis of the application documentation submitted, assessment of the motivational interview and admission to the MCF program.

The amount of the award is at the discretion of the Admissions Committee, based on a holistic assessment of the criteria outlined above.

Each Merit-Based Tuition Waivers covers a minimum of 10% and a maximum of 50% of the total tuition fee, in increments of 5%.

The decision of the Admissions Committee is final and not subject to appeal.

Candidates selected to receive a Merit-Based Tuition Waiver can be notified at time of admissions or by the relevant deadline for the application round in which they applied. Some candidates can be placed on a waiting-list for later awarding and may be considered up to the start of the program, subject to award availability.

Funding for these tuition waivers is limited; therefore, candidates are invited to apply in early rounds (1-2) to increase their chances of receiving an award.

3. Incompatibility of the Tuition Waiver

Candidates who are fully sponsored by their employers or other organizations are not eligible for tuition waivers.

The waiver can be combined with any other scholarship, award, or financial support for specialization courses by public or private organizations or companies if the total amount does not exceed the total tuition fee.

It cannot be combined with other SDA Bocconi Tuition Waivers available for MCF candidates.

The beneficiary must self-certify that the above-mentioned accumulation has not been exceeded.

The beneficiary must comply with this condition for the whole duration of the MCF Program.

4. Loss of the Tuition of Waiver

Candidates who receive full sponsorship from their employers or other organizations at any time during the MCF Program will become ineligible for any tuition waiver, and any tuition waiver previously awarded will be withdrawn by the School.

5. Acceptance of the conditions

Application for the tuition waiver implies full acceptance of the herein conditions.

The right to the tuition waiver is subject to the regular completion of the 2027/28 MCF Program as indicated in the 2027/28 MCF Rules.

Under penalty of immediate withdrawal, the candidate must confirm their enrollment in the 2027/28 MCF as well as formalize their acceptance of all tuition waiver conditions with the Admissions Office by the deadline indicated on the tuition waiver awarding letter.
